Amendment in Application 10/790,085
Response AFR of March 27, 2008

REMARKS

As noted above, the present amendments are made on the assumption that the May 27 Amendment has been entered.

The second paragraph of each of claims 16-17 is now further amended in view of the Examiner's remarks on the attachment to the Advisory Action of June 17, 2008. The Examiner stated that these claims would be allowable if amended to clarify the attachment of the discharge tube, and these claims are now so amended. The Examiner is invited to contact the undersigned attorney if further amendment is required.

Claims 34 and 35 are canceled without prejudice to reentry and their rejection is moot.

The present amendment is respectfully submitted to place the application into condition for allowance, and therefore entry and allowance are proper, and are requested.

Respectfully submitted,

KRATZ, QUINTOS & HANSON, LLP
